Please take following notes from ACI Marina Icici authorities to your knowledge:

- upon arrival at the marina, report to the reception with some kind of boat document.
- due to the technical characteristics of the crane, all operations (splashing and lifting) must be done without a mast.
- after your boat is lifted from the sea and on the trailer, please remove it from crane zone as soon as possible, and prepare for the trip on the plateau around the club, follow the instructions of the club volunteers.
