7. Description Of Incident

Alessio was slightly ahead and leeward of me. 3-5 Seconds after the start, his kite changed course suddenly and flew into mine, without giving me any time to react. I tried to avoid his kite, but couldn't. Our kites wrapped around the bridles and crashed and flew up multiple times. Eventually in about 2 min we managed to detach them and I went around the course, but finished last, far behind the last guy in front of me.
