7. Description Of Incident

From the windward side SVK36 pushed me down, and scream to me give me room. It was approximately 10 sec before the start and I screamed back to him "No room" for you. Nevertheless SVK36 push me down continuously, due to that I gave him room to not contact him. I lost my perfect position, and he took my wind. I decided to protest him, and screamed to him "protest" but he did not made any correction. I believe that SVK36 broke rule no. 11. I gave him room, to not broke rule no. 14, from my site.
