7. Description Of Incident

Final downwind of race 8 we were closing in on gbr 561 on a collision course while on starboard tack. Gbr 561 (on port tack) made no clear attempt at staying clear of us. In our final gybe attempt to avoid a big collision (which we did) we capsized and lost a lot of positions. Gbr 561 took their penalty and did turns.

At the final top mark we were just behind Ned 1066.
