**7. Description Of Incident**

Approaching the finish line, it was clear for me from far, that the finish line for course L should be position as the starting line. I was favorite the pin side, so I crossed the line at the pin / middle part of it. Only after I finish and went to my coach boat, I realized that wrongly the RC position additional finish mark in unexpected position, close to the RC boat. My requests is to keep my real finish position as 3rd place.
