☒ **Hail:**

Hail When: 3 seconds after incident

Hail Comment: Protest Through

☒ **Red Flag:**

Red Flag Comment 10 Seconds after incident

☐ **Other:**

Other Comment:

7. Description Of Incident

Both boats on Starboard, Idiopathic half a boat length ahead. Idiopathic gybes to port and Through gybes 2 seconds later. Both boats complete gybe with Idiopathic 4 meters ahead and 4 meters to leeward. Idiopathic starts to head up and calls "up,up,up". Through responds by heading up, Idiopathic continues to head up but Through stops heading up, by not continuing to head up Through fails to keep clear of a leeward boat. Contact is made between spinnaker on Through and windward spreader on Idiopathic. Through then heads up again and collapses spinnaker. Idiopathic bears away and overlap is then broken.

8. Damage Or Injury

None on either boat
