

Hamburg, 31.05.2018

Dear Competitor

Please find below an update regarding the intentions of the Race Committee with regards to the Class40 Class:

The Race Committee intends to start and score Class40s in their own class in order to allow the creation of overall results including the Atlantic Anniversary Regatta (West) last year.

The incompatibility of class rules with IRC and ORC will make it impossible to dual score in either of them. Should you wish to compete in IRC/ORC instead, please contact us as soon as possible so that we may update our systems.

We look forward to seeing you in Bermuda in due course.

Kind regards
Stefan Kunstmann
Race Officer
