7. Description Of Incident

I was over the starboard layline starboard far from the zone when number 2 arrive port I ask him to tack or pass behind me and he come inside me and Riley.

I did my best to avoid the crash but it was not possible.

I was severely injured during the crash I tried to race after but I was not able to catch my strap and I crash again several time I tried to finish the race but after the medic ask me to go to hospital for stitching my legs and take some rest.

I'm asking for redress and protest for starboard port and the most important dangerous sailing.
