7. Description Of Incident

We were foiling downwind with gennaker on starboard tack and meeting GER 11 (F18) sailing on port tack upwind. GER 11 did not keep clear of us and her shroud hit our tiller extension that snapped off and was lost in the water. As a consequence we capsized and after a while we upright the boat and continued to the finishing line. We think our result is worsened by damage occurred and are seeking redress.

8. Damage Or Injury

Damage consists of lost tiller extension.
