## FACTS FOUND

1. Five seconds before the starting signal of race number 7, Lasers 209505, 215057 and 211040, on starboard tack, were stationary along the starboard end of the starting line. The gap between the boats was more than one metre.

3. Three seconds before the starting signal, Laser 211040 bore down and made a contact with Laser 215057. Laser 211040 then pushed Laser 215057 towards Laser 209505 and caused Laser 215057 to make contact with Laser 209505.
4. The contacts did not cause any damage or injury to the three boats and none of them took a penalty.
5. Laser 211040 admitted during the hearing that she was aware she broke a rule and did not take a penalty because she would lose places.
