7. Description Of Incident

We were going starboard , I was windward, Maxim number 41 was leeward , he tagged, he went a bit at his course, I was still starboard, so he had to give me a room but he made it in last second, so his kite touched mine and then I saw that my lines were broken and kite exploded and I lost this race and next one as well. The boat took me from the race.

8. Damage Or Injury

Kite 11m broke
