7. Description Of Incident

I was coming leeward from behind to a group of guys starting on port tack at the pin end boat. They were slightly early, so were moving slowly with kites high. As the start was given. I was crossed the line in full speed. All of a sudden, a kite crashed into my lines. I crashed and my wingtip inverted itself several times. I couldn't relaunch my kite and got rescued.

8. Damage Or Injury
