7. Description Of Incident

Sailor was addressed for skulling. While he was completing his penalty circles his mainsheet became unclipped. After 1.5 circles his mainsheet became unclipped. After he fixed it, he began sailing again, assuming he had completed his penalty. The judge asked him after the race if he completed the spins, and Layton answered honestly as I described. We were unaware of the dq until it was posted about 7:30 pm.
