7. Description Of Incident

Judge penalized sailor 2 circles. After 1.5 circles the mainsheet unclipped. Once he spent time to re-clip it, he continued sailing. He spent more time than he would have if he had fully completed the 2 circles, and once rigged, he thought he was okay to continue. He thought his judgement was correct in assuming he had sufficiently served his penalty. We were unaware of his dq until 7:30 when the score was posted online.
