7. Description Of Incident

I was on the starboard lay line coming into mark 3, on to starboard tack. BUL 27 was on port tack on a collision course with me (and others around me) He made no attempt to keep clear, instead he lifted his kite high so I could not even bear up to keep clear. I had to bear directly down wind without lifting my kite and jump off my board to avoid the collision.

8. Damage Or Injury

My kite lines became wrapped around my foil due to the incident
