7. Description Of Incident

During the 5th leg of the course. at the rounding for leg 6, POL215951 infringed rule 18 but not giving POR211111 mark-room.

Since the rounding of mark 2, POR211111 was ahead of POL215951.

At the time POR entered the 3 boat length zone, POL was more than 5 boats lengths behind, alongside witness IRL216101 and FIN 217646.

POR was slow (due to missing surfing waves inside the zone), POR gybed to perform his rounding inside the zone, POL who was coming in fast from behind decides to round between POR and the Mark.

POR shouts to warn POL that there is no mark room, POL ignores and gybes inside POR. POR tries to avoid contact but as POL gybes, his boom hits POR's deck.

POL then luffs and his mainsheet catches POR's compass that sinks.

IRL and FIN, give POR mark room and round behind.

POL215951 did not perform his 720 turn.

8. Damage Or Injury

Loss of digital compass due to collision of boom of protested boat on protestee's boat
