7. Description Of Incident

Escapade was on starboard tack to leeward and ahead of Vitesse. Vitesse was on starboard tack. Escapade tacked to port and held a course attempting to cross our boat. As we closed Vitesse was about to hit them at the forward of the cockpit. At that time our bow was less than 10 feet from Escapade's leeward side. Vitesse fell off sharply and cleared the motor on Escapade's stern by 1 foot.
