- 5.2.1 Races not sailed on the scheduled day may be sailed on the following day at the discretion of the race committee.

- 5.2.3 Not more than a total of 7 races per flight will be sailed per day.
- 5.3 On the last day of the regatta no warning signal will be made after 17:00 hours.

6 FORMAT

- 6.1 The format will be a single series. The single series may be divided into a qualifying series and a final series depending on entry numbers.
- 6.2 When there is a final series, it will be scheduled on the two last racing days.
- 6.3 When the format includes a qualifying series:
- 6.3.1 Initially kiteboards will be assigned to flights Yellow, Blue, Red, etc., of, as nearly as possible, equal size and ability. Initial assignments will be made by the race committee based on the kiteboards current standing in the world ranking. Those assignments will be posted at least 30 minutes before the first warning signal is made and will not be grounds for redress. This changes rule 62.1(a)
- 6.3.2 In the qualifying series kiteboards will be reassigned to flights after each day of racing, except if on the first day only one race is completed. If all flights have completed the same number of races, kiteboards will be reassigned on the basis of their ranks in the series. If all flights have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all flights. For three flights, and similarly for any other number, reassignments will be made as follows:
- | | |
|---------|--------|
| First | Yellow |
| Second | Blue |
| Third | Red |
| Forth | Red |
| Fifth | Blue |
| Sixth | Yellow |
| Seventh | Yellow |
| etc. | |
- 6.3.3 Assignments will be based on the ranking available at 2100 on the day before they take effect regardless of protests or requests for redress not yet decided.
- 6.3.4 If all flights have not completed the same number of races by the end of a day, the flights with fewer races will continue racing the following day until all flights have completed the same number of races. All kiteboards will thereafter race in the new flights.
- 6.4 When the format includes a final series;
- 6.4.1 Kiteboards will be assigned to final-series flights Gold, Silver, Bronze etc., based on their ranking in the qualifying series. There will be the same number of flights in the final series as there were in the qualifying series. The final-series flights will have, as nearly as possible, equal size and the Silver flight will not be bigger than the Gold flight. Kiteboards with the best qualifying-series ranks will race all final-series races in the Gold flight, kiteboards with the next-best qualifying-series ranking will race in the Silver flight, etc.
- 6.4.2 Any recalculation of qualifying-series ranking after kiteboards have been assigned to final-series flights will not affect the assignments except that a redress decision may promote a kiteboard to a higher flight.
- 6.5 For the event overall standings, competitors are ranked in the order of the competitors competing in the Gold, Silver Bronze etc. flights standings. This may not apply to a kiteboard disqualified under RRS 5, 6 or 69.

7 STARTING AND FINISHING

7.6 The finishing line will be between a black/white chequered flag on the finish race committee vessel and the course side of the nearby finish mark.

7.7 The finishing line race committee vessel is identified by a black/white chequered flag. This changes RRS Race Signals.

7.8 [DP] Kiteboards that have finished racing shall sail clear of the finish area.

8 TIME LIMITS AND TARGET TIMES

8.1 Time limits and target times, in minutes, are as follows:

- 15.1 1 race per flight is required to be completed to constitute a regatta.
- 15.2 5 races per flight are required to be completed by each flight to constitute a qualifying series.

- 15.2.1 If at the end of a qualifying series some kiteboards have more race scores than others, scores for the most recent races will be excluded so that all kiteboards have the same number of race scores.
- 15.2.2 For a qualifying series, rule A4.2 is changed so that the scores are based on the number of kiteboards assigned to the biggest flight.
- 15.3 A kiteboards series score will be the total of her race scores, excluding her worst score when five (5) to nine (9) races are completed, her two worst scores when ten (10) to fourteen (14) races are completed, and her three worst scores when fifteen (15) races are completed.

The scores of other kiteboards shall not be changed; therefore, two kiteboards may receive the same score. However, the race committee may protest a kiteboard when they consider the standard penalty to be inappropriate. A kiteboard that has been penalized with a standard penalty can neither be protested for the same incident by another kiteboard nor can another kiteboard request redress for this race committee action.
