7. Description Of Incident

1/2 way down the leeward leg 2 of race 3 Wren over took us and established overlap. At that time both boats were on Port tack and they were 3 boat lengths to windward Of us. 2/3 of the way down the leg Wren bore off and came down toward us and was passing us. The boats came together to with in 5 feet. His stern was around 3 to 4 feet back of my bow. I then bore off to avoid contact, we hailed Protest and raised red flag. They continued to bear off and we had to bear off again and contact was made. We were sailing WNW in a shifty Easterly wind of between 5 to 10 knots. They hailed protest after contact but did not raise red flag.
