PROCEDURAL MATTERS

FACTS FOUND

23087 placed 7th in race 5 and was called to the measurement boat. There was no measurement sticker on the boom, and 23087 was given a standard penalty of 30%.
23087 filled out the electronic measurement certification on 4/21 at 17:42 stating that all equipment had been measured and had measurement stickers.

CONCLUSIONS AND RULES THAT APPLY

Rules:
By completing the certification checklist, 23087 certified the measurement certificate was on the boom. Therefore the lack of the measurement sticker was not through no fault of his own.

DECISION

Redress is not given.
