#### Notes

The Musto Skiffs will be racing for the final day of their National Championships in Portland Harbour from 10:00 on Sunday. With the strong winds forecast for tomorrow morning, there is insufficient space for both Musto Skiffs and RS Fevas to race at the same time.

We expect Delta to be displayed for the RS Fevas at 12:45.

All meetings for race team and safety are delayed by two hours, and volunteer breakfast is available from 09:00 to 11:00.
