## 7. Description Of Incident

On the race nr. 5. i was about 2 meters higher above the finishing line mark while i was croasing the finish line. Suddenly the mark started to move upwind and hit my boat on port side and kept moving with me upwind. I made a penalty turn and croosed a line again but i lost valuable places. Before mark hit me i was 19th. Please consider my request for redress. Thank you.
