## 7. Description Of Incident

The Belatrix team arrived in Sea Wind at 4:30 pm and filed 2 protests within the time limit. The protest regarding Misty Mountain against Belatrix scheduled for hearing at 5 pm started without the representatives of Belatrix in spite of the fact that by that time the Belatrix team was present. We humbly ask for this hearing to be reopened as we witnessed Mr. George Hackett being called by the protest committee without the presence of Belatrix representatives. We believe the decision to DSQ Belatrix was too harsh without giving Belatrix the chance to defend the protest filed by Misty Mountain against Belatrix. We kindly request for consideration on this matter considering the fact that a collision occurred and the fact that the Belatrix team was present to address the protest of Misty Mountain in Sea Wind. We, Belatrix, just plead and ask for your kind consideration, considering the gravity of what happened. Maria Videeira is the Belatrix representative, for this particular matter.
