## 7. Description Of Incident

Right after the start, Aus69 touch my kite.,  
I was under him, then someone with a Enata board and foil hit me in the back,. I don't who is it but I will find him, he told me that he did a 360, then I crash cause of him.  
After number 5 come toward me and we tangle each other.

There's actually some drone footage and Rob has some video of the start too, I think it will be helpful to everybody if we look it.

My foil was tangle into number 5 ligne, and damage the trailing edge of my foil, my lignes were also tangle so I decided to come.  
Back to the beach to fix it.
