Dear competitors,

For your arrival, the suggestion is to leave the **motorway** at **IMPERIA EST** and so to go in the direction of the Imperia port, San Lazzaro's entry, in Via **Lungomare Marinai d'Italia**. Just after the entry, go in the left where you will find the ENTRIES DESK and INFORMATION DESK, the crane for launch and hauling for boats and the ribs, and the trailers parking.

Firstly you will have to go to the ENTRIES DESK (open from 09:30 up to 12:30 and from 13:30 up to 18:00) for registration: it is **mandatory to give to the OA the phone number and the email address for each your crew member**. Then you will be able to launch the boat: a rib in assistance will bring you to your mooring.

In compliance of the Covid regulation, at the registration it will be measured the body temperature of all crew, and such measurement will be repeated all days before to enter on the mooring berth. Please maintain the security distance and use the face mask.

As per NOR, all time in compliance of the Covid regulation, all communications will be done by the web system RRoS, where you are able to accede also by the following QRCode:

So you will find into such system the Official Notice Boars with all notices, the SI, etc, and you will have to use it to send protests and any other request to the RC or the OA.

We remain at your disposal for any further information.
