Ger92 and 97 going on port tack to the layline close to the top mark. Boards have been close going on the layline, 5m distance between boards. GER97 steers his kite up in the air very quickly without warning to go into a tack. 92 tries to avoid the kite but has not enough time. Kites touch and 92 kite goes into the water. 114 goes with speed into the kite of 92. The break lines of the kite break. 92 injures himself cause of the impact. 92 tries to sail race two but cannot control his leg and finishes far behind the fleet. 92 has to give up race 3. 92 is asking for a redress for the races sailed on final day 2. A suggestion would be an average of races sailed before.
