7. Description Of Incident

At 50 seconds before the Starting signal, we were winward to ITA538. We bear away to pass astern of ITA538 who was windward to the committee race boat. We were almost on the starting line keeping us one boat lenght from it. ITA538 beared away few seconds later and reached us to the winward side. At that time we were 75° from the wind direction and we call to ITA538 for room several times. ITA538 didn't respond to the calls and beared away again causing a collision between the boats. We could avoid the collision beacuse of ITA572 Destriero who was leeward to us. We hailed "protest" and exposed the red flag right after hailing protest.

8. Damage Or Injury

Some scratch on the starboard side
