

Placement of Event Limitation Marks, WSCA stickers and branding

Ensure that WSCA stickers are applied correctly:

B-Stickers are for the hull

M-Stickers are for the hydrofoil mast

K-Stickers are for the kites

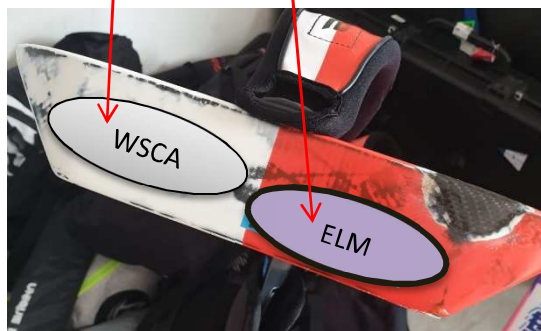

For Kites (K-Sticker):

Center cell, close to the trailing edge (not covering any registered series production plaques and / or serial numbers)

For Hulls (B-Sticker):

WSCA Sticker and Event Limitation mark on the transom

Hull Nationality insignia (if prescribed): Nose (bottom) of the hull.

The Event Sponsor Sticker must be placed on both rear sides of the hull

Class Insignia: behind the hydrofoil mast

For Hydrofoil Systems (M-Sticker):

The event limitation mark and WSCA stickers must be placed on the STARBOARD side of the mast, app. 5cm from the top of the mast.

Helmet Nationality insignia (if prescribed):

On both sides of the helmet above the ears, so that the three-letter-country code is horizontally readable
