7. Description Of Incident

I was sailing clear on starboard upwind when 210468 arrived toward me on port and hit the back of my boat and my rudder. The crash broke my rudder plastic fitting. I yelled "PROTEST" and 210468 did a 720. I couldn't continue the race after the incident and I had to abandon. I am asking a redress for the following racers of today (race N°2 & race N°3)

8. Damage Or Injury

Rudder
