7. Description Of Incident

We were lining up on starboard on the upwind and everyone was very close. Maddy was lower than me and a bit in front and suddenly she tacked. There was no time for me to avoid contact, I tried to bare away but our kites already tangled. I shouted protest to her.

I was swimming for 7,5 minutes with my kite in the water because her board swam into my lines and I had no chance to get the kite up.

She helped me with getting the kite out of the water later so I could get in without a boat.

I would like to get a redress for this.
