

2022 WINGFOIL RACING WORLCUP ITALY & 2022 WINGFOIL OPEN EUROPEAN CHAMPIONSHIPS

LOCAL SAILING INSTRUCTIONS

These LSI complement the NoR/SI

Issued 18 October 2022

2 RULES

- 2.1 The event is governed by the rules as defined in The Racing Rules of Sailing (RRS), Appendix WF
[https://www.sailing.org/tools/documents/DR2105AppendixWFWingfoilingRacingrulesJune2021-\[27358\].pdf](https://www.sailing.org/tools/documents/DR2105AppendixWFWingfoilingRacingrulesJune2021-[27358].pdf)
- 2.1.1 RRS Appendix WF.3.31 is deleted. Standard RRS 31 applies.

5 SCHEDULE

- 5.4 Addendum 3 shows the provisional race schedule, including the time of the first warning signal and the number of scheduled races.

6 FORMAT AND SCORING

NoR/SI 6 is deleted and replaced with:

- 6.1 The format will be

- 6.1.1 For the mens event, a long distance series, followed by a qualifying series and a final series. There will be three fleets.
- 6.1.2 For the womens event, a long distance series followed by a single series.
- 6.2 The long distance series is schedule for the first racing day, morning session.
- 6.2.1 A wingfoils score for a long distance race will be divided by the number of fleets in the event rounded to the nearest tenth of a point (0.05 to be rounded upward).
- 6.3 When there is a Final Series, it is scheduled for the last racing day.
- 6.4 When the format includes a Qualifying Series:

- a) Wingfoils will be assigned to fleets yellow, blue, red etc., of, as nearly as possible, equal size and ability. Assignments will be made by the race committee based on the wingfoils' standing at the end of the long distance series regardless of pending hearings and will be posted at least 30 minutes before the first warning signal is made. Those assignments will not be grounds for redress. This changes RRS 62.1(a).
- b) Wingfoils will be reassigned to fleets after each morning session and each afternoon session. If all fleets have completed the same number of races, wingfoils will be reassigned on the basis of their ranks in the series. If all fleets have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets. For three fleets, and similarly for any other number, reassignments will be made as follows:

First	Yellow
Second	Blue
Third	Red
Forth	Red
Fifth	Blue
Sixth	Yellow
Seventh	Yellow
etc.	

- c) Reassignments of fleets will be based on the standings available 60 minutes after the last finisher of the previous session, regardless of pending hearings.
 - d) If all fleets have not completed the same number of races by the end of a session, scores for the most recent races will be excluded so that all wingfoils have the same number of race scores.
 - e) RRS A5.2 is changed so that the scores are based on the number of wingfoils assigned to the biggest fleet.
- 6.5 If 4 or more races are completed by each fleet at the end of the Qualifying Series:
- a) Wingfoils will be assigned to fleets gold, silver, bronze etc., based on their Qualifying Series ranking. There will be the same number of fleets in in the Final Series as there were in the Qualifying Series. The Final Series fleets will have, as nearly as possible, equal size and the Gold fleet will not be smaller than any other fleet. Wingfoils with the best Qualifying Series ranks will race all Final Series races in fleet gold, wingfoils with the next-best Qualifying Series ranking will race in fleet silver, etc.

- b) Any recalculation of rankings after wingfoils have been assigned to Final Series fleets will not affect the assignments except that a redress decision may promote a wingfoil to a higher fleet.

6.6 A wingfoil's series score will be the total of her race scores except that:

- when from 4 to 6 races have been completed her worst score will be excluded;
- when from 7 to 10 races have been completed her two worst scores will be excluded;
- when 11 or more races have been completed her three worst scores will be excluded;

however, not more than one score from the Final Series may be excluded. This changes RRS A2.

6.7 When there is a Final Series, wingfoils will be ranked in the order of the wingfoils competing in fleets gold, silver, bronze, etc. This may not apply to a wingfoil disqualified under RRS 6 or 69.

6.8 Division rankings (if any) will be established by simple extraction from the overall standings.

6.9 To request correction of an alleged error in posted race or series results, a wingfoil may submit a scoring enquiry through the online platform.

8 COURSES AND RACING AREAS

8.5 Course Marks will be:

Mark 1, 2, 3, 4, 5, 6:	Red robotic marks
Finishing marks :	RC vessel and yellow robotic mark
Starting marks	RC vessel and yellow robotic mark

9 STARTING AND FINISHING

9.7 For the long distance races a Rabbit start will be used: at the starting signal a Rabbit (a vessel displaying a white wingfoil class flag towing a small marker buoy) will proceed at high and constant speed from the starting mark to the race committee vessel. The starting line will be between the course side of the starting mark and marker buoy towed by the Rabbit.

9.7.1 A Wingfoil shall not sail between the race committee vessel and the marker buoy towed by the Rabbit from one minute before her starting signal until she starts. If a wingfoil breaks this rule and is identified, she shall be disqualified without a hearing, even if the race is restarted or resailed, but not if it is postponed or abandoned before the starting signal. Her disqualification shall not be excluded in calculating her series score.
This changes RRS 36 and A5.
