7. Description Of Incident

Billy Whizz, inside boat, had overlap established on Timballoo at 3 boat lengths to the leeward I mark. (Position shown on left side of attached diagram)

Timballoo broke overlap at 2 boat lengths to the mark (she was clear ahead). Billy Whizz re-established overlap at approximately 1 boat length to the mark.

Timballoo did not give any mark-room to Billy Whizz - she left no space between their boat and the I mark. (Position shown on right side of attached diagram)

Billy Whizz was forced to pass to port of the I mark to avoid collision.

Billy Whizz hailed "Protest 1603".

Billy Whizz turned back and rounded the mark correctly.

Shenanigans were positioned behind Billy Whizz and Timballoo and witnessed the incident.

8. Damage Or Injury
