7. Description Of Incident

Race 1 5m before rounding mark 3p, either Rus or Fin was windward of me and I was leeward. Before even rounding the mark, i shouted "up!" but they did not make room and caused an overlap of boards and i dropped my sail, causing me to finish behind portugal. However, I am unsure if it is Rus or Fin who did not give room, is it possible to use the trackers to see?
