Alternatively you can download the app from here,https://www.racingrulesofsailing.org/

This will then allow you to follow the event and file any documents directly from your phone.

If you have any problems or do not have internet access, please come to the race office and we will be happy to help. Our experience is people do pick it up quite quickly but please don't struggle.

Sailors will not be able to access the event until after entry has closed.

Thanks
