7. Description Of Incident

At the start I was port at the pin end saw no space to go so wait giving everybody room. In the back of the fleet there was space and I went. I saw 35 tacking windward to me and immediately shouted to keep his kite up. That was few seconds before he had time to avoid me. He put his kite inside my kite and broke two of my bridles. While pulling kite up broke the lines. The kite is broken I can't sail. I immediately went to beach to fix.
