7. Description Of Incident

Starting Line about one minute away from the start
Both boats on starboard
LYRA clear ahead
Geist clear behind but faster
Being faster, Geist creates an overlap from behind
Separation was about between 8 to 10 meters
As soon as the overlap was established (bow man on Geist and afterguard on Lyra) Lyra did come up to keep clear
With a 25 m boat, coming up means your stern is coming Closer to the leeward boat
When separation was too closed, to avoid contact, we have to stop coming up
LYRA is protesting against Geist for creating this overlap too closed to LYRA
Not enough séparation to be able to keep clear

8. Damage Or Injury
