7. Description Of Incident

We were approaching the downwind mark and I was outside boat of 2 other boats, giving them room. Before I started to give room to the others, I turned around and told ITA 222956 "no room", because we were not overlapped and we were entering 3 boat lengths and acknowledged it. When it was my turn to round the mark, he just crashed into me hard while trying to round the mark from the inside. I yelled "Protest!" and he didn't do 720.
