7. Description Of Incident

ESP 998 have rounded the windward mark and have made a gybe to port tack. We, SWE 661 were still on the upwind on port tack sailing towards starboard layline. We hailed in a quite early stage, but ESP 998 reacted to late to avoid collision. The collision was quite hard and our tiller extension broke so we couldn't finish the race. ESP 988 took their penalty.

8. Damage Or Injury

Tiller extension broke, and miner damage on the port wing on our boat.
