PROCEDURAL MATTERS

1. The hearing was heard with a panel of three members in accordance with RRS N1.4.

FACTS FOUND

1. The 29er supplied to ISV 29er Male had a seal around the turnbuckle of the forestay in form of a cable tie and a shrinking tube.
2. The Technical Committee inspected ISV in the boat park on the morning of 16 December and found that ISV did not have the seal which had been supplied.
3. The Technical Committee went on the water to perform measurement checks on different classes.
4. The protest was lodged at 17:41 after the Technical Committee returned from the water.
