7. Description Of Incident

During race 2, At the first round of the left mark of 4 p, I was close to the mark and about to go around the mark, when a lot of boats behind me and at the outer side of the mark banged into me repeatedly. I had shouted Mark Room before they hit me but I was ignored. There are also boats who hit the mark and didn't do any penalty. As a result of this I lost my place and hope that you can look into this matter
