## 7. Description Of Incident

I was approaching the final leeward mark in Race 6. I was overlapped to the inside of 215198 for most of the last third of the run. As 215198 and I entered the 3-length zone I remained inside overlapped. When I gybed to go round the mark, 215198 went between my boat and the mark. I had to bear off to avoid a collision.

## 8. Damage Or Injury

None.
