7. Description Of Incident

Julia was windward of Alina after the leeward mark rounding, both boards close to each other, Alina in leeward, overlapping with julia during the whole reach from the leeward mark till the slalom mark. When reaching the slalom mark zone both boards were overlapped, the outside board (Julia) did not give the inside boat (alina) mark room and jibed into alina. That caused a tangle and crash between both boards. Her board hit my arm during the incident which caused pain straight away and a bruise.

8. Damage Or Injury

Injury on the right arm, bruised and pain.
