7. Description Of Incident

When we were reaching the mark, we both were starboard. We were both in overlapp. I have started the manoeuvre first. I was inside of the turn, so I had the right of way. Unfortunately pol 126 crashed into my board by luffing me, he haven't noticed my right of way so accuse talket I fell into the water, and lost around 6 places. I was leading the race and ended 7th.
