## 7. Description Of Incident

Boat 47 was approaching upwind mark on starboard tack close hauld below starboard layline. Boat 41 already passed that mark, made a gybe from port to starboard and started to hoist a genaker. After her maneuver we became on the same tack overlapped sailing collision courses. Boat 47 hailed leeward several times, but 41 continued to sail straight failing to keep clear, so 47 was forced to head up a lot to avoid the contact. I consider that the boat 41 brock the rule 11. So we hoist red protest flag and keep it till finish line.
