## 7. Description Of Incident

I was sailing upwind on starboard and the boat with the number GER 56731 was on port. I shouted loud and clear for water with no response, i tried to avoid but we almost capsized. The damage was so big that water was getting inside the boat, for that reason we had to retire from the last race of the day.

## 8. Damage Or Injury

We have a serious damage on the port side of the boat which is very difficult to be repaired for tomorrow.
