## 7. Description Of Incident

I was starting and speeding up my boat ESP 55249, when sudderly FRA 56724 came by my port side and place his boat in wedge, in a space that was not enough big for a boat. He acquired leward but he didn't give me space to keep separate of him, so he broke rule 15. He then used the arm of the skipper (here called as "first", CSOREGH ANDRAS) to push me to the back, breaking the rule number 2, FAIRPLAY. I was doing a great start and due to this incident I started the last of the regatta. I consider that my position in this last regatta of the day should be reconsidered. I attach a video where the incident can be clearly seen.
