## 7. Description Of Incident

We were sailing towards the first mark, I was on starboard tack while IND 211782 was sailing on port tack. I shouted at him "Starboard" but he continued to sail. I shouted "starboard" repeatedly but he carried on sailing his normal course. I was about to hit the middle of the boat but beared away very aggressively to avoid contact with IND 211782. After that I immediately shouted "Protest!" Twice. However, IND 211782 just replied by saying "No, No" and carried on sailing without taking any further actions to do his penalty turns.
