## 7. Description Of Incident

I was stopped on the starboard side of the starting line, with half a boat length gap to leeward. 30 seconds before the start, KAZ 212121 came from clear astern and sailed into the gap to my leeward side, very close to my leeward side.

I immediately luffed up to head to wind, ending up really close to the boat on my windward but there was contact between my leeward side and the windward side of of KAZ 212121.

KAZ 212121 grabbed my gang whale and pushed me back and I yelled 'you cannot do that, protest'

I fell behind the fleet and lost the first lane on the start, ending up having a very bad start.

By not giving me room to keep clear when she acquired right of way, KAZ 212121 broke rule 15

By grabbing my gang whale and pushing me back, KAZ 212121 broke rules 42.1 and 2

I request redress because I believe that the action of KAZ 212121 in this incident made my score significantly worse through no fault of my own.
