7. Description Of Incident

We were reaching to the finish line. I was in leeward, riccardo in windward. I tokk the direct line to toe finish boart an let him know if my right of way. about 20m to the finish line he didnt give me right of way away and i had to avoid collision. His wing touchend my head an back because he beared away to get into the finish line right before we passed the line.
