Addendum 2

1. A Rabbit Start will be used, with the starting line between the port starting finish mark to windward of the signal vessel and the centre of the stern of the gate boat immediately following the pathfinder, which shall proceed from the start line mark on port tack.
2. All boats (except for the pathfinder) shall start by crossing the starting line on starboard tack after the starting signal and before the gate closes.
3. The race committee will appoint a pathfinder and a reserve pathfinder for the first race of the event. Thereafter, the pathfinder will be the fifth boat in the preceding race. When she is unable to race, or has been the pathfinder previously in the event, the pathfinder will be the fourth boat in the preceding race and so on. The reserve pathfinder will then be the next boat in the preceding race.
4. The sail numbers of pathfinder and reserve for the first race of each day will be posted on the official notice board and will be displayed on the race committee signal vessel before flag G is displayed. If more than one race is sailed on the same day, the numbers will be displayed on the race committee signal vessel before flag G is displayed for each successive race.
5. The pathfinder and reserve shall report to the race committee signal vessel after their numbers are displayed and before the warning signal is displayed. A pathfinder or reserve that fails to report will be scored Did Not Start. This changes RRS A5.
6. [NP] Prior to the preparatory signal being removed, the pathfinder shall report to the gate boat (displaying flag G and located near the race committee signal vessel) and follow the race committee's instructions. **If a boat breaches this rule and is identified, she will be disqualified without a hearing, even if the race is restarted, re-sailed, or rescheduled. This changes RRS A5.**
7. [NP] Shortly before the starting signal the pathfinder will position itself near the port limit mark and shall sail as close as possible to the starting signal (not before and within 10 seconds after) from the port limit mark on a close-hauled port tack. The gate boat will keep station close astern and slightly to leeward of the pathfinder.
8. [NP] The pathfinder shall sail a close-hauled course until it is released by hail from the gate boat, after which the pathfinder may continue or tack. When she tacks or when the gate has been opened for one minute, she ceases to be a starting mark.
9. After the release of the pathfinder, the gate boat will continue its course and speed until the gate has been opened for one minute. It will then stop, make a long sound signal, drift for two minutes, and signal the close of the gate by removing their G flag with a short sound signal.
10. From the time the pathfinder is approaching the port limit mark to start until the pathfinder or gate boat cease to be a starting mark, a boat must not touch the pathfinder or obstruct the pathfinder or gate boat in any way that causes the start to be abandoned.
11. If a boat breaks SI10 and is identified, she will be disqualified without a hearing, even if the race is restarted, re-sailed, or rescheduled. If a general recall is signaled or the race is abandoned after the starting signal, the race committee will display the boat's sail number for at least 3 minutes before the next warning signal for that race, and if the race is restarted or re-sailed, she shall not sail in it. However, a boat may participate in the restarted race providing she notifies the race committee prior to the warning signal that she intends to protest another boat and/or request redress in connection with the incident. If she sails in the race and does not file a valid protest or request for redress, she shall be scored DNE. If her protest is dismissed or her request for redress is denied, she shall be scored DSQ. This changes RRS 36, 62.2, 63.1, and A5.
12. A boat that makes contact with the gate boat shall retire from the race, but not if the race is restarted, re-sailed, or rescheduled.
